TOPICS OF DISCUSSION

(1) PROTECTING YOURSELF & IDENTITY

Identity Theft is America's Fastest Grown White Collar Crime

- Types of Identity Theft. Business owners are responsible for making businesses safe places to do business, but you are responsible, too.
- Make better choices today, make better living in the future. You never have to make legal and life event decisions alone.
- How can top speciality AV-rated provider law firms make their legal services available to members so cheap?

(2) BEING IN GOOD HEALTH

Adults are Unhealthy and Kids are too!

- The Cost of Healthcare is been on the top of the news
- What consumer driven healthcare is and what it is not.
- The Power of Healthcare Advocacy and how it works
- Ask for your FREE prescription Rx card for just attending this talk.

Protecting Yourself & Identity

Being in Good Health

Mining Your Own Business

(3) MINDING YOUR OWN BUSINESS

Everyone should have a business, including you.

- Despite where you are in life...today is a new day! Think and write down your dreams and goals
- Mentorship is a must when deciding to create specific results for yourself & others. Successful people surround themselves with committed and successful people. Strategic relations are fundamental keys to your success.
- Ask to Join our FREE ongoing Mastermind Life Coaching Q&A Conference Call for anyone needing that extra push to creating effective habit that producing the results you desire...for your life, relationships, career, health & spirituality.
- What are you committed to do to accomplish your goals? How much time are you willing to put in to get the results you want?
